March 11, 2022

The March meeting was called to order at 9:04 a.m. at Grand Horizon's clubhouse by President Jim Harmon. After a moment of silence in remembrance of lost members and a roll call of member communities present (13), President Harmon made the following announcement:

Remember that we have changed the mailing address for EPROC to **37415 Marta Avenue, Zephyrhills, FL 33542**. Be sure to change that address of record in your community's corporate records and notify all board members and those who deal with EPROC.

The program today was presented by a representative of the Florida DBPR, who presented information primarily from the procedural and enforcement areas, with a bit relative to what is available from DBPR for the public education offerings. Her presentation dealt almost exclusively with FS 718; she presented very little relative to 720-HOAs.

There being no further business, the meeting was adjourned at 10:43 a.m.

Respectfully submitted,

Linda LaFayette, Secretary
